

Orchestrate Your Policy!

Retention, Perfected.
Built by Practitioners for
Practitioners.

mosaIQ **Orchestrate** is the single source of truth for your global records retention program, transforming complex legal obligations into a clear and defensible strategy.

- **Achieve Global Compliance:** Master your regulatory footprint with continuously updated legal research across 330+ jurisdictions, curated by a global network of legal experts.
- **Centralize Policy & Inventories:** Unify your retention schedule and inventories in one authoritative platform for unparalleled visibility and control.
- **Reduce Risk & Lower Costs:** Mitigate regulatory risk with real-time legal intelligence while reducing operational overhead.
- **Empower Your Team:** Streamline workflows with an intuitive, practitioner-centric interface, enabling your team to shift from reactive tasks to proactive governance.
